

Where Will Your Scores Take You?

What is a good score on the SAT® or ACT®?

At Princeton Review, we know you're looking for a score that will get you into the college of your choice. A score that guarantees admission to a wide range of schools is a score that will take you to the next level. At an ACT score of 30 or higher, you'll be eligible for admission to a wide range of schools. At an SAT score of 1200 or higher, you'll be eligible for admission to a wide range of schools. At a score of 1200 or higher, you'll be eligible for admission to a wide range of schools.
